DRUG & ALCOHOL CLEARINGHOUSE

REGISTRATION: CDL DRIVERS

You must complete the registration process before you can respond to employer consent requests or access your driver record in the FMCSA Commercial Driver's License Drug and Alcohol Clearinghouse. The instructions below are for a driver who holds either a commercial driver's license (CDL) or commercial learner's permit (CLP).

Create a Login.gov Account

Accessing the Clearinghouse requires the creation of an account with login.gov, a shared service that offers secure online access to participating government systems, including the Clearinghouse. If you do not have a login.gov account, or would like to create a new one, you will need to follow the steps below.

During the login.gov registration process, after 15 minutes of inactivity, the current page will clear whatever information is entered into data fields.

1 Visit <https://clearinghouse.fmcsa.dot.gov/register> and click **Go to login.gov**.

The screenshot shows the FMCSA Drug & Alcohol Clearinghouse registration page. At the top, the FMCSA logo and navigation links (Register, Login) are visible. Below the header, the page title 'DRUG & ALCOHOL CLEARINGHOUSE' is displayed. The main content area features a 'Register for the Clearinghouse now and be ready for implementation' section with a 'Go to login.gov' button highlighted by a red box and a red circle with the number 1. To the right, there is a 'GOVERNMENT PERSONNEL' section with instructions for enforcement personnel and state driver licensing agencies. Below the registration section, a 'Why register now?' section provides reasons for registering, including for drivers, employers, and SAPS & MROS.

- DRIVERS**
Enter your CDL information and confirm all information is accurate in our database.
- EMPLOYERS**
Does a C/TPA manage your drug and alcohol testing program? Designate them today. Have an FMCSA Portal account? Link it with your Clearinghouse account.
- SAPS & MROS**

2

On the login.gov sign in screen, click **Create an account**.

Or, if you already have a login.gov account, enter your email address and password on this screen, click **Sign In** and go to **step 10**.

3

Enter your email address and click **Submit**. This is the email address the Clearinghouse will use to send you notifications about your Clearinghouse account. This email address will also be used to identify you in the Clearinghouse, and cannot be modified.

4

Check your email and open the email from **no-reply@login.gov**, with the subject line **Confirm your email**.

Click **Confirm email address**, or copy and paste the link into a web browser.

5

Create a password. This password must be at least 12 characters long. If the password you enter is not strong enough, you will not be able to continue. Enter a strong password and click **Continue**.

The screenshot shows the 'STEP 2 OF 4' screen titled 'Create a strong password'. It includes a green confirmation message: 'You have confirmed your email address'. Below this, it states: 'It must be at least 12 characters long and not be a commonly used password. That's it!'. There is a 'Password' input field with a 'Show password' checkbox. The password strength is indicated as 'Great!'. A blue 'Continue' button is at the bottom. Links for 'Password safety tips' and 'Cancel account creation' are also visible.

6

Select an option to secure your account and click **Continue**.

Login.gov requires the completion of a user verification process to ensure the proper person is using those credentials. Follow the instructions for the method you select.

The screenshot shows the 'STEP 3 OF 4' screen titled 'First authentication method setup (1 of 2)'. It instructs the user to 'Add a second layer of security so only you can sign in to your account.' and notes that only one method will be used. It then asks the user to 'Select an option to secure your account:'. Five options are listed: 'Phone' (selected), 'Authentication application', 'Security key', 'Government employees', and 'I don't have any of the above'. Each option has a brief description. A blue 'Continue' button is at the bottom. A link for 'Cancel account creation' is also present.

7

Enter your security code and click **Submit**. This code will be provided via the method you selected. The screenshot below illustrates the SMS phone method.

A screenshot of the 'Enter your security code' step in the login.gov registration process. The page has a light blue header with the 'LOGIN.GOV' logo and the 'DRUG & ALCOHOL CLEARINGHOUSE' text. The main content area is white and contains the following elements: a blue heading 'STEP 3 OF 4', a large heading 'Enter your security code', a message 'We sent a security code to +1 123-456-7890 This code will expire in 10 minutes.', a red-bordered box containing a 'One-time security code' label, a text input field, and a blue 'Submit' button. Below the red box is a 'Get another code' button with a refresh icon and a 'Remember this browser' checkbox. At the bottom, there are two links: 'Entered the wrong phone number? Use another phone number' and '< Choose another option'.
